workshop
2 - 6 Sep. 2012**

How to build a Waraq family

1.
Don't
tell us
your name .
We will find it

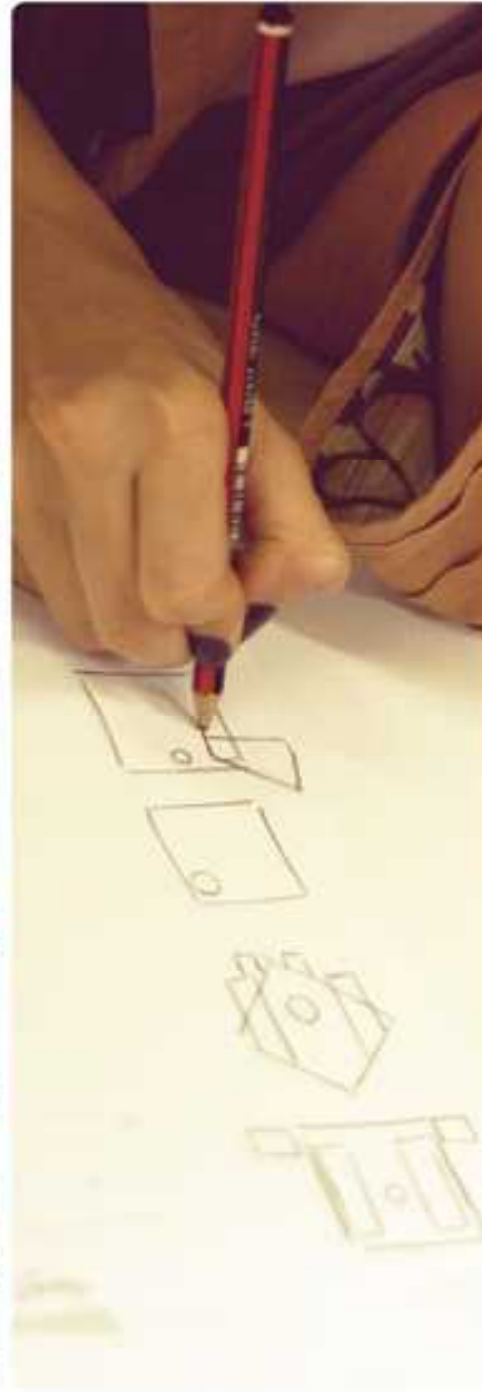

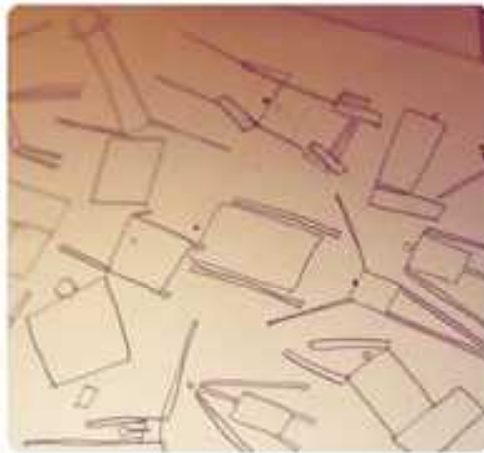

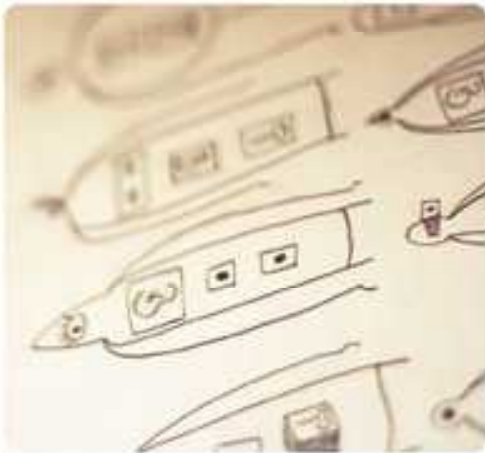

2.

**You will find your strangest
phobias and habits.**

**No, you wont understand
why. not anytime soon.**

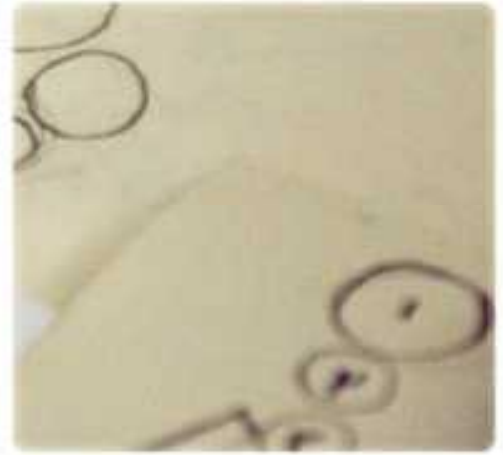

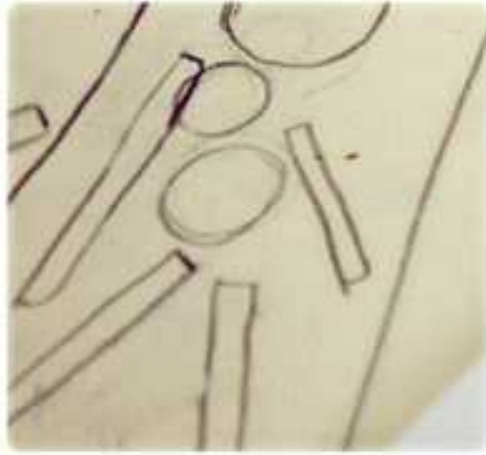

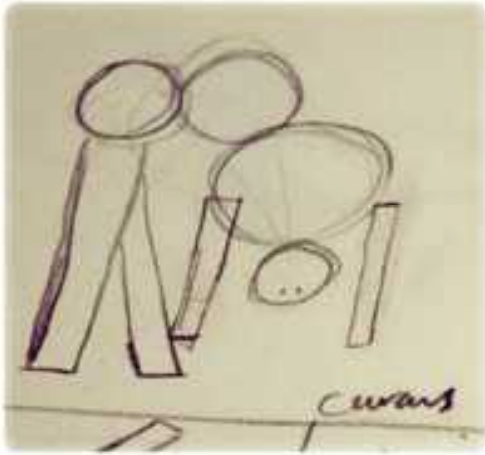

3.

Draw a character using 3 squares and a circle. 3 circles and one square, 3 squares in one circle, 3 circles in one square, square, square, circle, square in circle, circle, circle, circle, square.in . square, circle.in .in.in.circle, circle.circle.

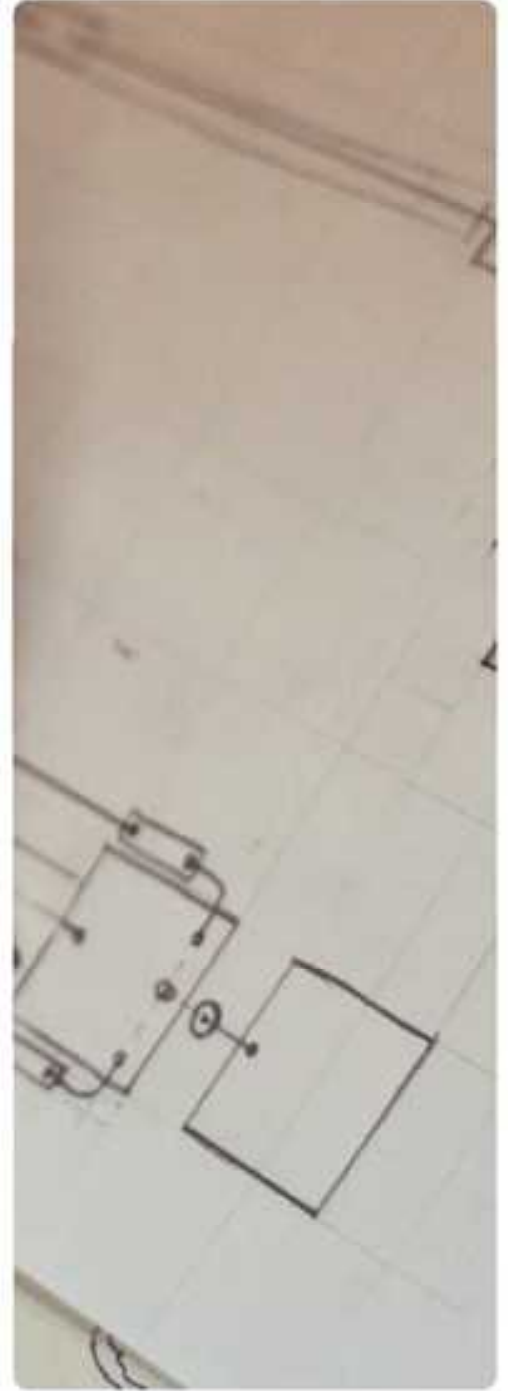

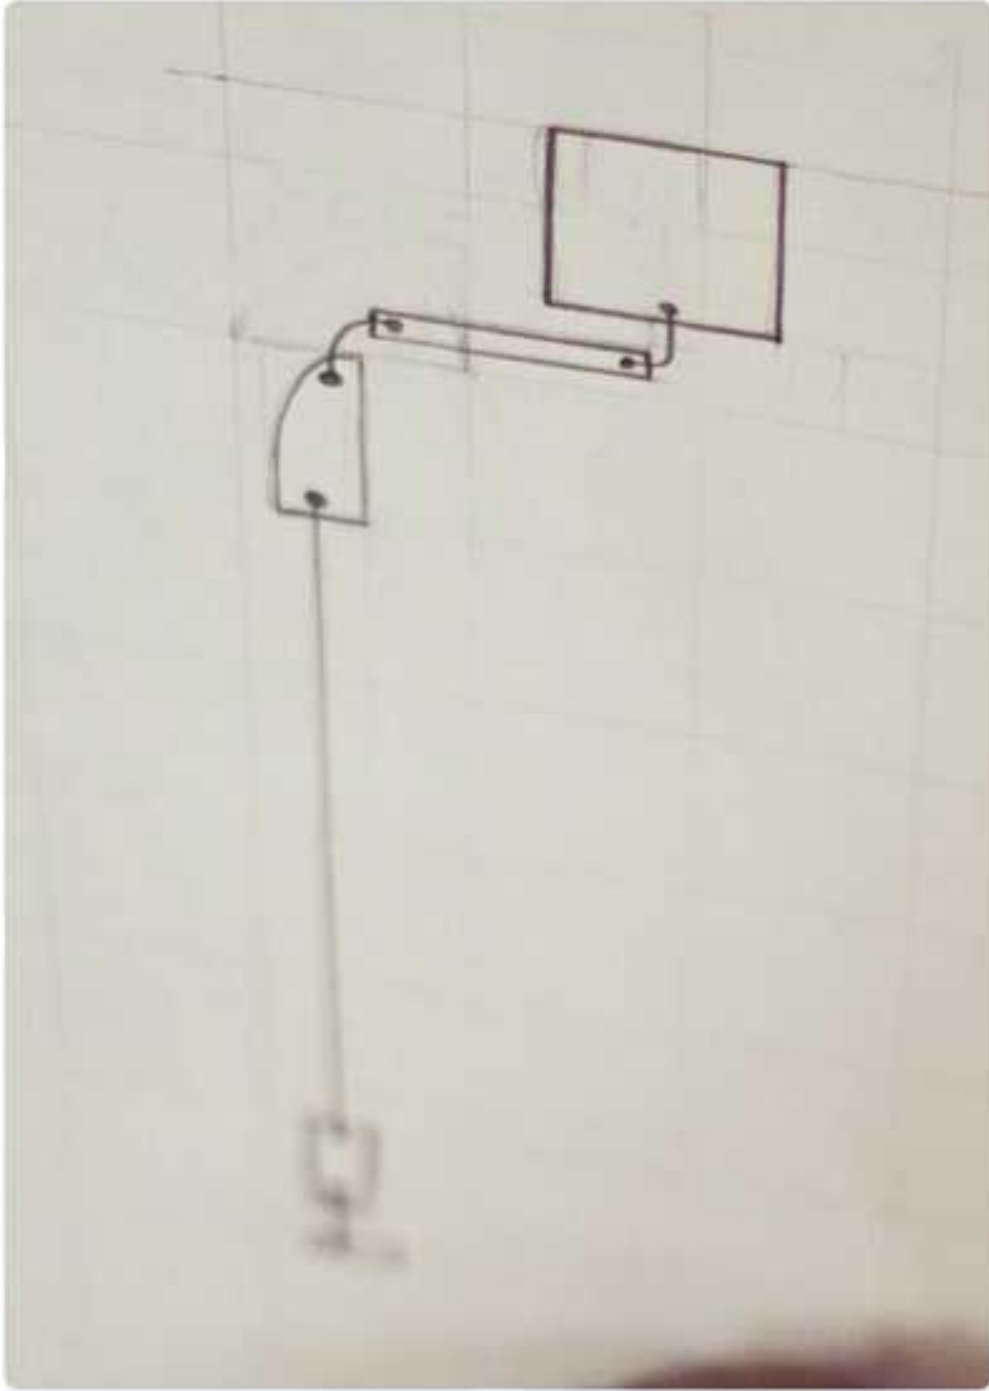

4.

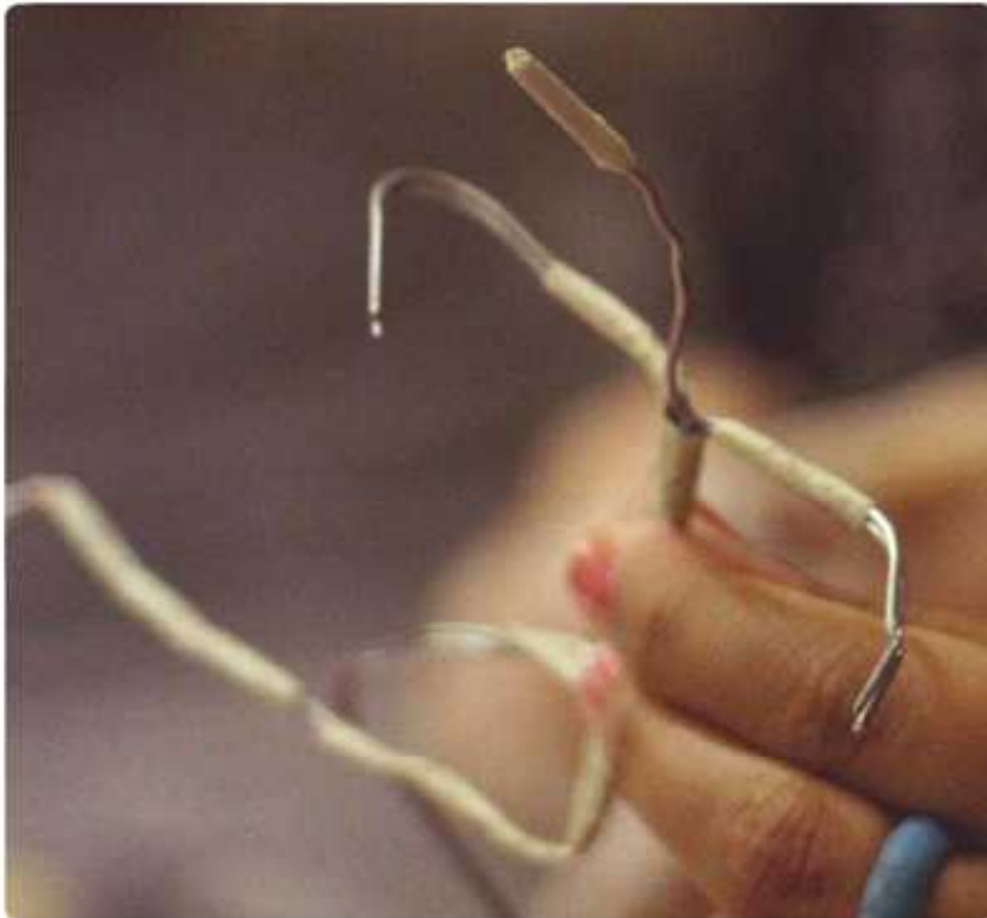

Your late great-grandmother had a genetic deformation. She was born with a **box in the place of her stomach. Now your whole family has inherited this bad gene. Insert this box in your character. Anywhere would do.**

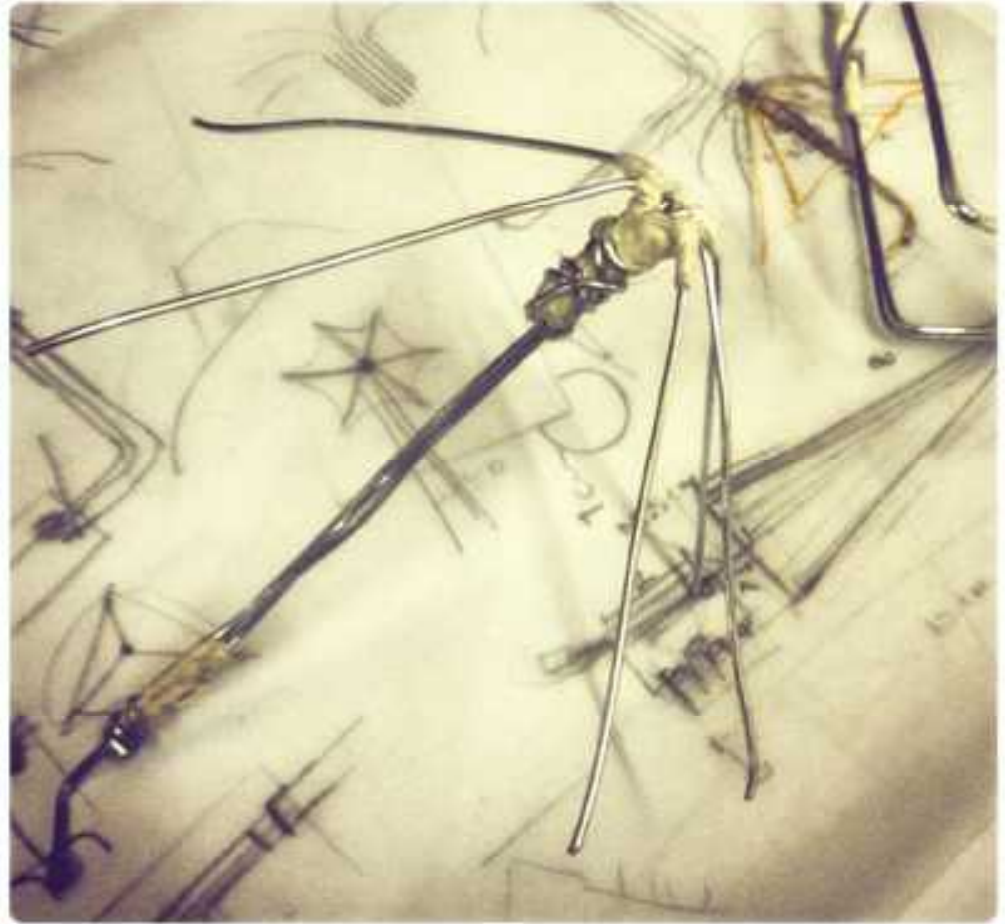

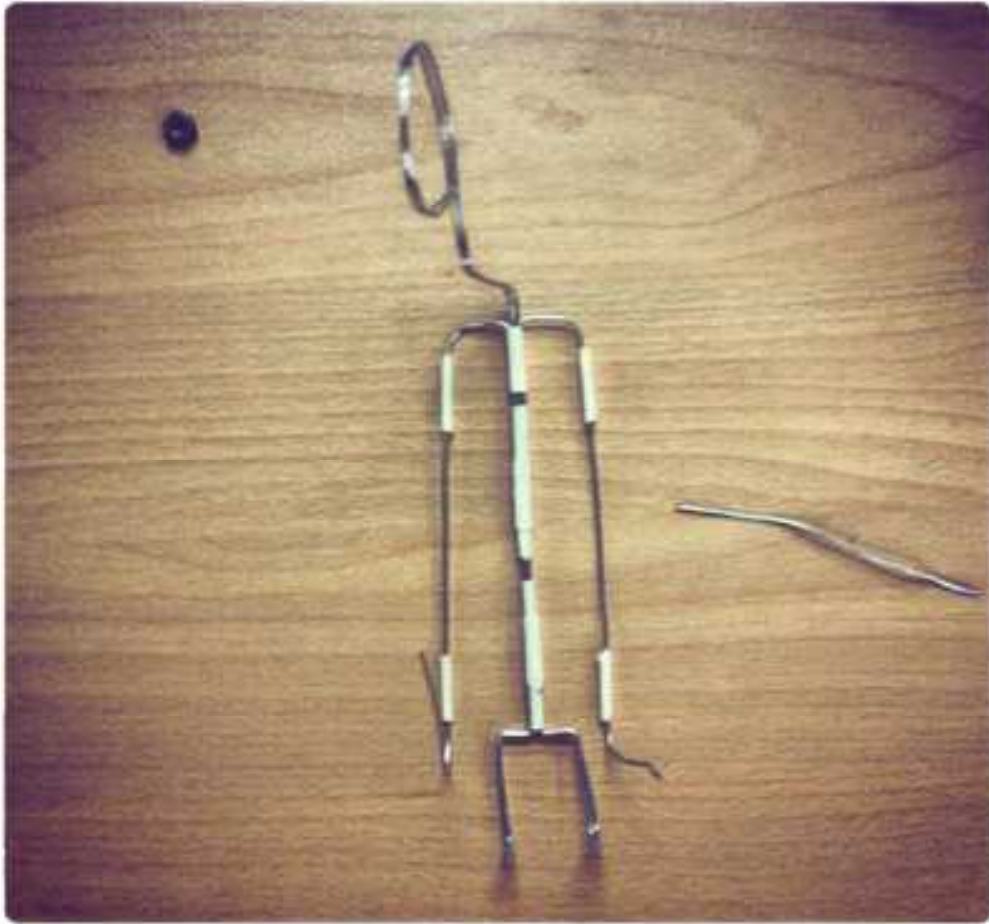

5.

**Now
Your lines will
come to life**

6.
**Your laundry wires will
become armatures**

7.
**The defected
gene will be
crafted**

8.

**And covered
with brown
craft paper**

9.

**You might get your hands dirty.
Clay is good for the skin**

10.
**Makers stay
focused
“in the making”
We know Santa
was**

11.

**Suffer as you discover
that the softest
materials are not the
easiest to cut**

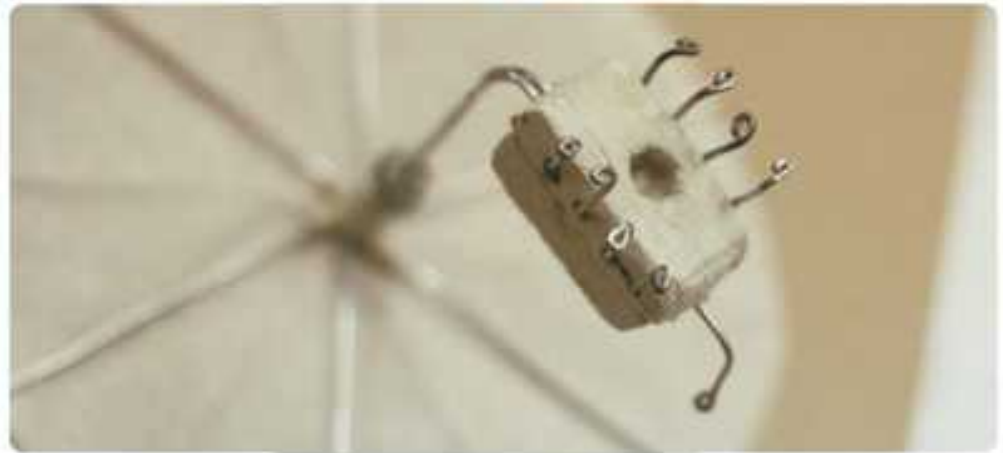

12.

**Use Waraq
for a softer skin**

13.

**Dress them
in black and white.
T.V.says it's trendy**

14.
with a hint
of red

15.
**Look for your
faces in old
magazines**

16.

**Stay here
if you are a
perfectionist**

17.

**While we prepare the
set for the shoot**

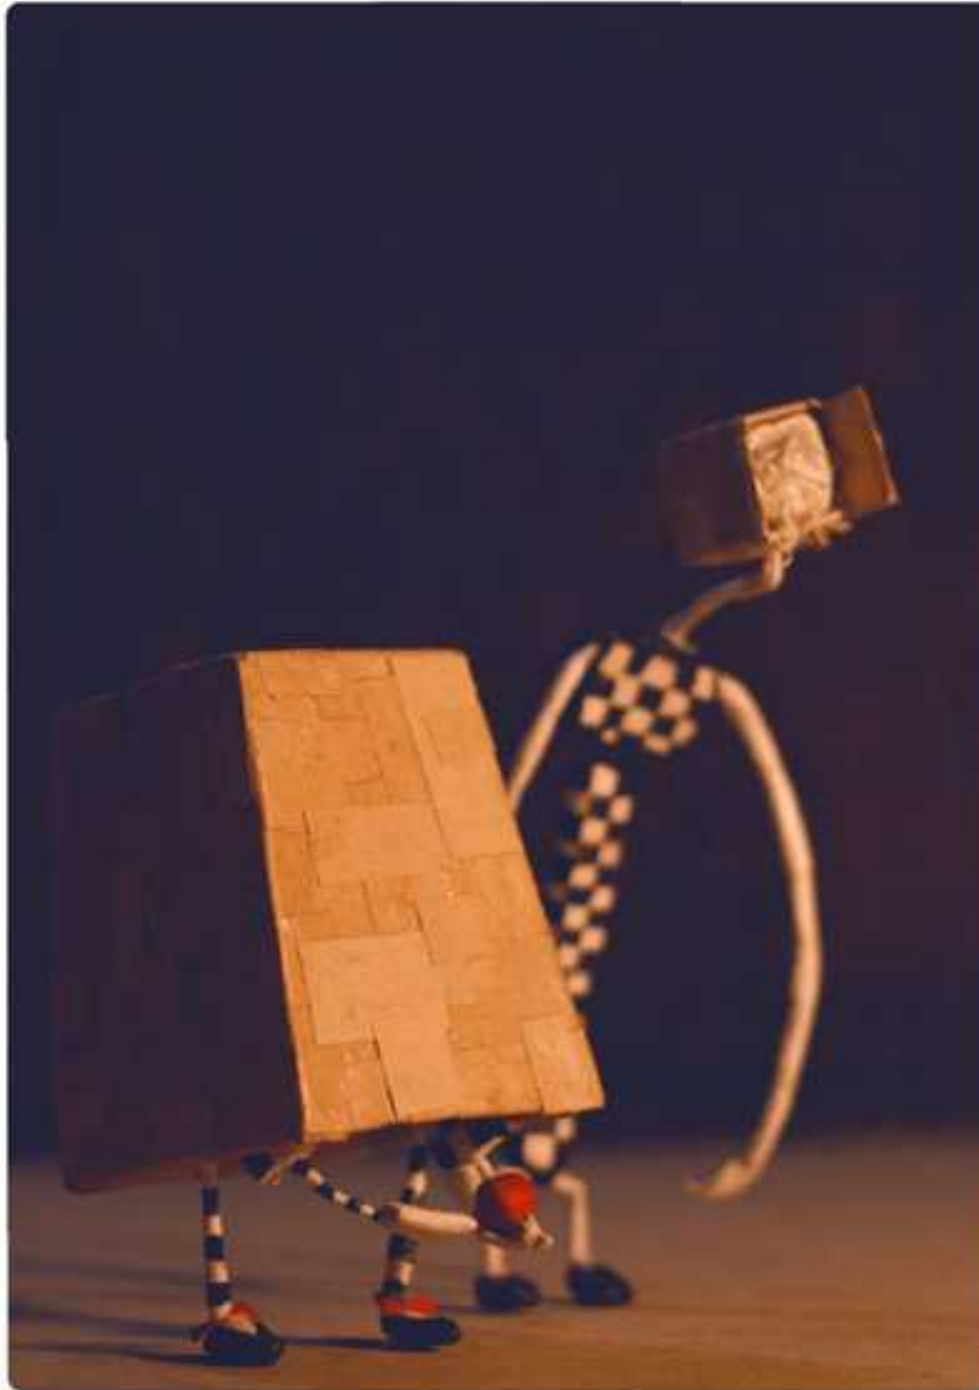

Generation 1

Samane is the grandmother whose box is neatly packed inside her tummy. Her hobby consists of cooking the flies that come out of her husbands' box. Hatef is the lonely uncle, He never got married and despises children.

Generation 2

Nilofar has a husband she cannot see. She hides behind her box and waits for him to give her apples.

Pets

The vertical bunny

The umbrella dog

The bird lamp

Generation 3

**Her parents have missing eyes and ears.
While little Mina has got
plenty packed up in little boxes.**

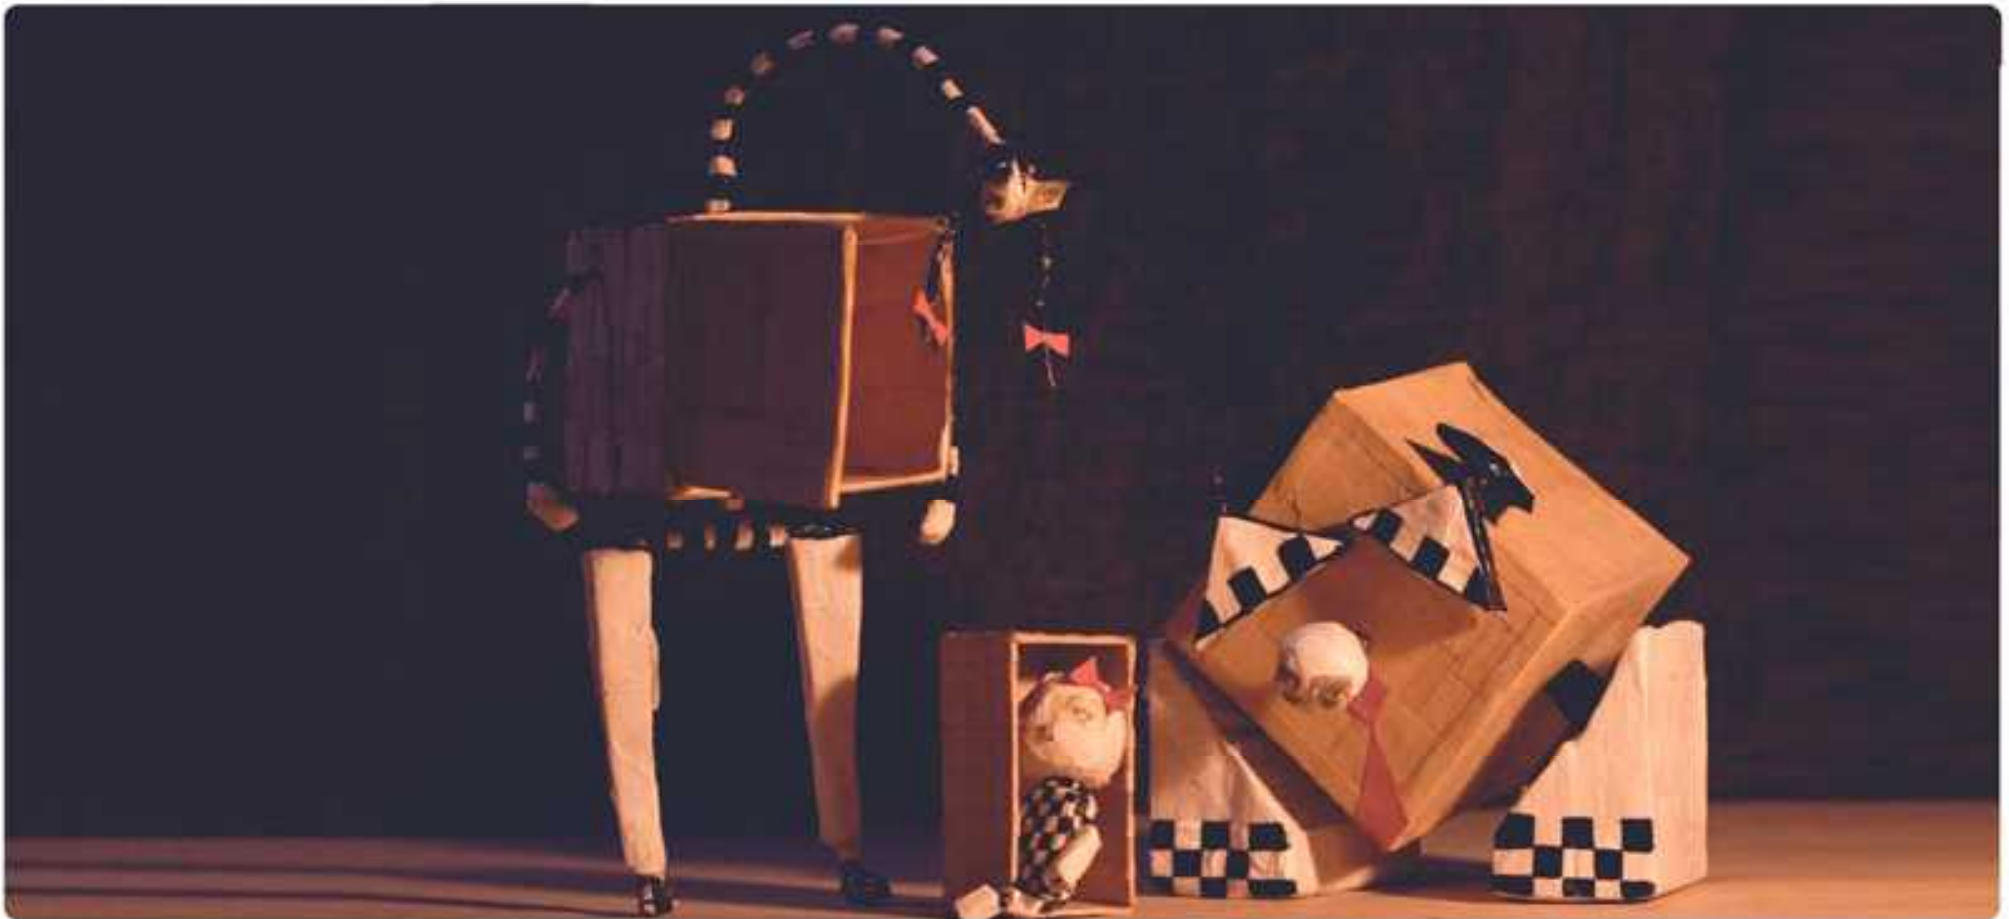

Generation 4

**When she's sad,
her heart
slides out of
her box,
and his head
sends out a
red balloon.**

Generation 5

Baby Zahra is the smallest of them all, only 8 cm tall. Her mother often tucks her inside her box, while her father is busy squashing bubble wraps .
